## “IN THE NAME OF GOD”

### Emblem for Boy Scouts of Muslim Faith.

“In the Name of God (Allah)” is a program that aims to help Muslim youth fulfill the first part of the Scout promise, “On my honor, I will do my duty to God.”

As he grows in this program, he will become active in four areas of study, experience, and service.

1. Islamic faith
2. Islamic practices
3. Islamic brotherhood
4. Islamic participation

A Scout may, with the approval of religious scholar (Imam), participate in this program whether the unit is connected with the mosque or some other institution. Imam will be the teacher and counselor as scout advances in the “In the Name of God (Allah)” program.

“A Scout is reverent. Scout is reverent toward God and is faithful in religious duties. A Scout respects the beliefs of others.

The twelfth point of the Scout Law recognizes the place of religion in your life. It reminds you that your Scouting is related to your home, to your mosque, and your school. A part of Scouting is to live a worthy religious life.

Scouting has long been recognized by Muslims as a great movement uniting the youth of the world in a bond of spiritual, moral, and physical strength. The spiritual bond, while not exemplifying one religion over another, can readily be recognized in the opening phrase of the Scout Oath: “On my honor I will do my best, to do my duty to God and my country.” The religious awards provided for and established by the many faiths of the world can have only one ultimate goal, that of spiritual preparedness and tolerance.

## ISLAM AT A GLANCE

Islam is the religion which God has chosen as a medium for you to understand your place in the universe and your relation with Him. God wants it to obliterate ignorance and heathenism from human minds, to quench their thirst for wisdom and knowledge and to propagate truth, justice and piety. The reasonableness and rationality of its doctrines is so powerful that they cannot be repudiated, falsified or belied.

Have you fully realized what Islam is? It is indeed a religion founded on truth. It is such a fountain-head of learning that from it flow out several streams of wisdom and knowledge. It is such a lamp that from it several lamps will be lighted. It is a lofty beacon of light illuminating the path of God. It is such a set of principles and beliefs that will satisfy every seeker of truth and reality.

Know you all that God has made Islam the most sublime path towards His Supreme Pleasure and the highest standard of His worship and obedience. He has favored it with noble precepts, exalted principles, uncountable arguments, unchallengeable supremacy and undeniable wisdom. It is up to you to maintain the eminence and dignity granted to it by the Lord, to follow it sincerely, to do justice to its articles of faith and belief, to implicitly obey its tenets and orders, and to give it the proper place in your lives.

### Vision

The Islamic Council on Scouting promises to promote and guide cooperative contacts between the proper authorities of Muslim organizations, mosques, and organizations in partnerships with Scouting. This Vision is directed at developing the spiritual phase among Islamic youth by means of the Scout oath and law.

### Mission

The Mission of the National Islamic Council on Scouting is to promote Scouting among Muslim youth, to help Muslim institutions and local council Islamic committees to provide Scouting opportunities for Muslim youth, and to promote Islamic values in Scouting through program helps and its religious emblems program.
